Features and Specifications

High level of security need not be the privilege of the rich and famous only or of high offices alone. Now you too can benefit from the same levels of security that have been enjoyed by the countless number of people across the world. The pioneers and the leaders in providing security solutions in India for over a century now, Godrej has constantly endeavoured to create high-quality products. Matrix range of fire and burglary resistant safes is one such example.

Matrix Safes

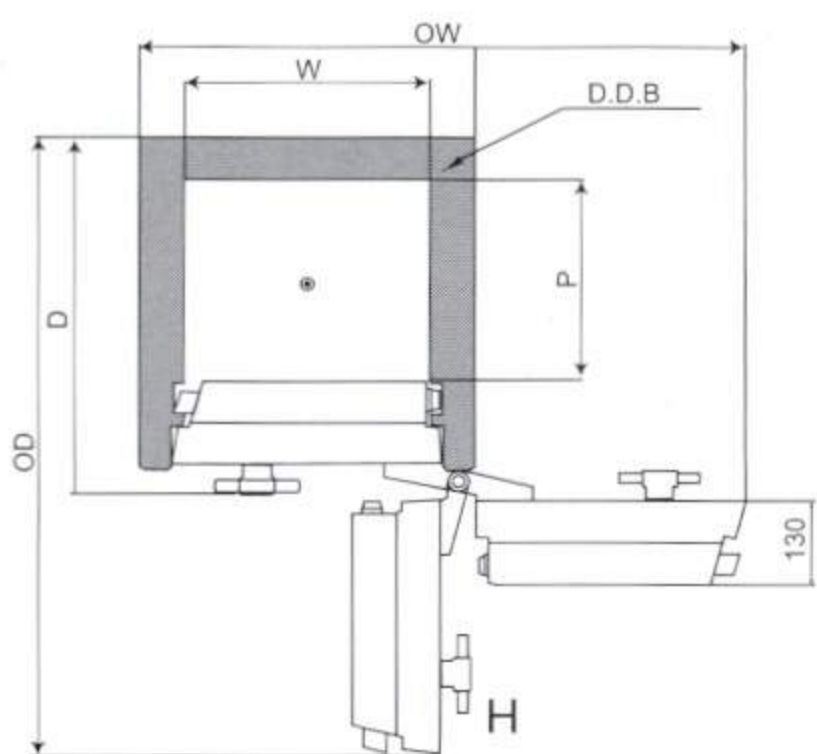

Matrix is a high-quality fire and burglary resistant safe that offers high levels of security to apartments, private homes, businesses and executive offices. It is most suitable for commercial applications and protects your valuable assets, documents etc. from fire.

Sleek, compact & easy to operate, Matrix comes in a range of three models to suit every need.

After Sales Service Network

To meet the needs of the customers, Godrej has a wide sales & service network of 21 branches and over 650 dealers across India.
